

# Ratio of Closed Cases 2000 to Income-Eligible Persons 1990 with Travel Distances - Valdosta

Note 1: Income level is only one factor in determining client eligibility, set at or below 125% of the poverty level. Other factors may include: asset ceilings, alien status, citizenship, conflict of interest, recipient resources, or unique client circumstances that allow recipients to use their discretion in providing services.

Note 2: Dots are placed randomly within Zip Code.

This map was developed solely for the purpose of determining whether mapping is useful for making management decisions.
